matthew fox: *Keynote Address*

Matthew Fox is the author of 28 Books including *Original Blessing*, *The Reinvention of Work, Creativity: Where the Divine and the Human Meet*, *One River, Many Wells: Wisdom Springing from Global Faiths*, *A Spirituality Named Compassion*, and his most recent *A New Reformation*. He was a member of the Dominican Order for 34 years. He holds a doctorate (summa cum laude) in the History and Theology of Spirituality from the Institut Catholique de Paris.

The hope of Matthew Fox has been to establish a pedagogy that is friendly to learning spirituality, a goal which he continues today in his own university called University of Creation Spirituality. One of the authors who commented on his work said that, "Matthew Fox might well be the most creative, the most comprehensive, surely the most challenging religious-spiritual teacher in America. He has the scholarship, the imagination, the courage, the writing skill to fulfill this role at a time when the more official Christian theological traditions are having difficulty in establishing any vital contact with either the spiritual possibilities of the present or with their own most creative spiritual traditions of the past.

Matthew Fox has given us abundant selections from the spiritual literature of the Christian, Islamic, Hindu, Buddhist and the indigenous peoples of Africa and America to illuminate our understanding of creation, the Divine, the human experience of the Divine, and our way into the future. Out of these sources, and with reference to discovery of an emergent universe by contemporary science, Matthew Fox has, it seems, created a new mythic context for leading us out of our contemporary religious and spiritual confusions into a new clarity of mind and peace of soul, by affirming rather than abandoning any of our traditional beliefs."

Matthew Fox is a prophet of our time. He has the courage and wisdom to speak words that give us hope for our own spiritual and religious future.

Matthew Fox will open the program with a major keynote address to set the stage for an in-depth exploration of the conference theme: Inclusive Ministry and Renewal in a Complex Age. Several workshops and a final general session will develop various aspects of this theme, so relevant to today's challenges and opportunities.

Tomb to Womb: Birthing New Communities of Faith

Does worship in your local parish feel lifeless? Do you feel "entombed" in your worship community? Envision ways to breathe life into your faith community by coming to know and celebrate the Holy as it is revealed in women's experience and in gender balance.

Two womenpriests will share their views and experiences in the second general session of the conference.

RAYMAKER has a Ph.D in Interdisciplinary Studies, served 20 years on an ecumenical staff in Tokyo and has written books on Buddhism.

IN SEARCH OF A FOCUS: PRIESTHOOD, MINISTRY, OR NEED?

Ministry is not exclusive: the relationship and interdependency between contemporary needs, ministry, and priesthood—both hierarchically ordained and the priesthood of the faithful. Moore, a married Catholic priest and past president of CORPUS, has been the keynote at the CORPUS USA and Canada conferences. He holds a Ph.D in Psychology and taught psychology at Antioch University for 17 years. Moore is the coordinator of CORPUS national conferences.

communities that have roots in the reform movement. Her research has been cited in major newspapers and presented at conferences.

THINKING OF MINISTRY AS A CHAPLAIN? ANY IDEA WHAT THAT INVOLVES?

CARL YUSAVITZ AND WILLIAM MANSEAU

Whether discerning a call to chaplaincy or already a chaplain seeking national board certification, you will hear how to navigate the ecclesiastical endorsement process and achieve board certification. YUSAVITZ, D.Min., a

clinical pastoral education (CPE) supervisor for ten years, has served for the past seven years as chair of ACPE Strategic Planning, and advises candidates for board certification. Officiating at 25 weddings per year, STUBENBORT, M.Div. spends three to six hours preparing a couple for marriage.

McOscar also maintains a full ministry of weddings in addition to baptisms, funerals, and ministering to the terminally ill. Both use the same pre-marriage approach and will share their materials.
